

Nissan Forklift

Nissan prides itself on reaching complete client satisfaction when their buyer is enjoying one of their various trucks, cars or forklifts. Nissan Forklift branch is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are committed to offering high value and detail-oriented quality standards to their clients. Incorporating a prosperous heritage combined with solid manufacturing principals, Nissan Forklifts provide a few of the finest materials handling equipment the industry has to offer.

In order to satisfy the worldwide wishes of their assorted client base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Committed to delivering customer support, the company has four independent manufacturing facilities that permit them to constantly adapt to their customers continually evolving needs by providing a variety of innovative ideas and concepts.

The Nissan Forklift North and South American center is situated in Marengo, Illinois. A devoted team of 350 personnel is committed to the collaboration, design and manufacture of their products. Operating under the ISO-9001 and ISO-14001 certifications, enables each sector of the Nissan Forklift Corporation to maintain environmental accountability by using techniques that diminish the worldwide effect of their goods and processes. These high values remind customers that Nissan operates under the quality seal that their customers demand whilst being an environmentally aware company.

Nissan is fairly certain that any of their consumers queries and customer worries directed towards them can be fully addressed. Always available through their website or by calling 800.871.LIFT, reaching one of their community endorsed sellers or even visiting their Midwestern office, Nissan Forklift Corporation is certain you will be impressed with their hospitality and commitment.
