

Genie Forklift

Genie Industries prides itself with the notion of lifting individuals and resources higher, extending beyond the products they design. A worldwide corporation that is deeply associated to their clients and enjoys reflecting the spirit of partnership with all they accomplish. Genie Industries strives to help clientele build their business no matter how large or small the level of undertaking may be.

The inauguration of the Genie Hoist in 1996, a pneumatic, versatile material lift initiated the opening of Genie Industries. A succession of aerial work platforms and other material lift trucks followed to satisfy consumer demand. These innovative products secured international acknowledgment and established contemporary product design.

At this time, Genie Industries is a subsidiary of the Terex Corporation. Among their highest priorities are to assemble and maintain foremost quality production and uncompromising level of support and service. With clients from Dubai to Dallas and Hong Kong to Helsinki requesting the unique blue coloured materials forklifts on the jobsite, the business is securely planted in their exceptional customer principles and service. Acknowledging that their users are their greatest inspiration, the team at Genie Industries are individually committed to delivering expertise and maintaining customer rapport.

The reliable staff is committed to greener, more environmentally practical options to develop the goods that clients want. Genie Industries focuses on "lean manufacturing" practices in order to help minimize waste while developing very high quality forklifts in the shortest time period at the lowest workable expense for the consumer. The team at Genie Industries is proud to serve the industry and this is reflected in every product they produce. Always inviting consumer contribution helps them to manufacture and cultivate modern new products that are effortless to service and operate, deliver optimum value-for-cost and meet international standards. Thriving on consumer feedback enables Genie Industries to persistently evolve and satisfy the consumers' requirements.

Genie service specialists recognize the importance of uptime. They are readily available to answer questions and offer solutions. Their extensive components network will swiftly ship components to ensure their customers' machines are operating efficiently. Each product comes backed by a competitive and reliable warranty.

Genie Industries takes great pride in its customer service and builds and serves its goods to guarantee proficiency and maximum uptime on the job. Offering on-going education opportunities, to marketing support to adaptable financing solutions, Genie Industries provides their customers the resources to get the most out of their investment.
